

Concerned about contaminated mobile devices or stethoscopes?

The UV Box offers 60-Second Disinfection for mobile devices including Phones & Tablets

No matter how high your Hand Hygiene compliance rate is, every handheld device your staff uses works against your ultimate goal. And that goes for your patients too! Add **The UV Box** Germicidal Enclosure to disinfect as many items as can fit in just 55 seconds and give your Hand Hygiene Program the support it needs!

- Up to 4.5 Log, 99.995% Disinfection Rate for C. diff Spores
- One-Button Simplicity: No Learning Curve
- Will Not Damage Valuable Equipment
- A Green Solution, Producing No Waste Products
- **Designed & Made in the USA**
