

KEYBOARD SUPPORTS MONITOR HOLDERS

A solution for every computer interface

Our wide range of monitor holders and keyboard supports accommodates all brands of equipment and provides you with elegant and functional integrated patient management solutions.

• Monitor mounts:

- VESA (75 or 100)
- Quick-mount for Philips monitors
- Quick-mount rails (suitable for use with GE monitors)

• Range of movement:

- Combine the necessary number of arms (5 different lengths) to obtain the ideal range of movement for your workspace (192 mm to 1200 mm).

• Joints:

The number of joints determines the degrees of freedom of movement:

- Single joint
- Double joint
- Triple joint

• Optional height adjustment:

- The gas spring-assisted arm raises and lowers the monitor by up to 350 mm

• Load capacity:

- 3 to 18 kg

• Keyboard support:

- 8 models available, with or without mouse support

• Laptop support

STERIS QUALITY

• Freedom of movement:

- The monitor can be tilted sideways by 80° and up and down by 15°
- Certain models are also depth-adjustable

• Ergonomics:

- Quick mounting
- Cable management system
- Left/right sliding mouse support

• Design :

- Soft colours
- Sleek finishes
- Blends in seamlessly with surgical suites

• Examples
